Use your voice in letters, blog posts and op-eds that reach thousands of readers. Hone your skills to make Israel's case and to counter and correct biased media coverage of Israel.

The workshop will be conducted by Bet Israel's Alan Stein.

Alan H. Stein has been publishing letters in newspapers since he was a teenager. A retired mathematics professor, he joined CAMERA's National Letter-Writing Group more than twenty years ago and served as president of PRIMER-Connecticut (Promoting Responsibility in Middle East Reporting) for nearly a decade. An *oleh chadash*, Alan and his wife split their time between Massachusetts and Netanya. He recently founded PRIMER-Massachusetts and works with other activists in Netanya and Jerusalem to encourage English-speaking *olim* to write letters to newspapers in their former communities.

For more information, call the Bet Israel Masorti Congregation at 09-862-4345 or check the PRIMER-Israel website <http://www.primerisrael.org>.
